### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or fairly suggests a method of operating a poker game as set forth in independent claims 1, 20 and 35. Specifically, the method comprises dealing a hand including a plurality of cards from a deck of cards, the deck of cards includes at least one positive impact card and at least one negative impact card, if at least one of the positive or negative impact cards is in the hand, not revealing to the player whether the card is a positive impact card or a negative impact card; revealing to the player whether any remaining positive or negative impact cards in the hand are one of the positive impact cards or one of the negative impact cards after the player has caused a replacement; evaluating the cards in the hand; and providing an award to the player if the hand includes a winning combination of cards, if at least one of the negative impact cards is in the hand, the negative impact card can not be any winning combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
